

Expedited Onboarding Checklist

Based on the current climate, we are increasing our efforts to expedite the onboarding process. The expedited process allows restaurants to go live quickly assuming the following materials are provided as soon as possible.

DISBURSEMENT VERIFICATION

We need a verified business rep for disbursements (in compliance with our merchant processor). This lets us directly deposit funds into your account.

- A color copy of your driver's license (front and back)

WEBSITE

We need your website credentials to embed an ordering button onto your site. If you have a web developer who handles your changes, send us their info!

OPTION A (ALL 3 REQUIRED)

- Website admin URL (The link to your website host login page)
- Website username
- Website password

OR

OPTION B

- Contact information for your website developer

MENU

We need your most up-to-date menu with all add ons, modifiers and prices (preferably a PDF, website, or portal menu).

OPTION A

- Menu with pricing, plus modifiers and add-ons

OR

OPTION B

- A link to a current online ordering portal that we can copy over

RESTAURANT DETAILS

We'll need some specifics about your pickup and delivery business.

- Tax % charged on to-go orders
- Pickup hours
- If applicable, delivery details:
 - Delivery hours
 - Minimum and/or maximum delivery order amount
 - Delivery fee
 - Delivery zone (Up to 5 miles if using DoorDash Drive)

Ready to go?

Email these assets to your ChowNow Account Coordinator as soon as possible.
